

MARLEN

TASTE OF PEACH

(Seasonal Homemade Soda)

If you look at the four seasons, each season brings fruit. In summer, there's fruit, in autumn, too. Winter brings different fruit and spring, too. No mother can fill her fridge with such a variety of fruit for her children. No mother can do as much for her children as nature does for its creatures. You want to refuse all that? You want to give it all up? You want to give up the taste of Peach?

(Marlen's Spritz)

What is this sudden happiness that makes me tremble, giving me strength, life? Forgive me, sweet creatures. I hadn't understood, I didn't know. Everything seems so good, so meaningful. Everything is true. I wish I could explain. But I didn't know how to. I'm not afraid anymore of telling the truth, of the things I don't know, what I'm looking for and haven't found. This is the only way I can feel alive and I can look into your faithful eyes without shame. Life is a celebration. Let's live it together! Let's get drunk and have a Marlen's Spritz with Bergamot Liqueur, Citrus Gin, Prosecco, Soda.

HER

(Marlen's Spritz)

The heart is not like a box that gets filled up; it expands in size the more you love. Sometimes I think I have felt everything I'm ever gonna feel. And from here on out, I'm not gonna feel anything new. Just lesser versions of what I've already felt. Although I was always wrong. Because feeling something new doesn't take a lot. Sometimes all it takes is tasting the new Marlen's Spritz with Pink Grapefruit, Strawberry, Prosecco, Soda.
