Marlen's old time Classics

Read me like a movie dialogue

(Refreshing / Creamy)

Tyrtamus

In the lost introduction of the first book *Inquiry into Plants*, the king of herbs Tyrtamus has written his favourite cocktail recipe. Gin, cucumber, ginger and basil cream.

(Fruity / Sweet 'n' Sour)

Twelve Monkeys

I want the future to be unknown. I want to become a whole person. I want to be in the moment. Live now. The only way to do that is to drink Marlen's Greek Zombie, with rum, peach and tangerine.

(The tradition of Zakynthos in a glass)

Chungking Express

We're all unlucky in love sometimes. When I am, I go jogging. The body loses water when you jog, so you have none left for tears. When I am unlucky instead, I drink my favorite cocktail. Rum with Zakynthian rusk syrup and lemon. So, my tears are sweet 'n' sour.

(Spicy)

Punch, Drunk, Love

I have so much strength inside of me. You have no idea. I have a love in my life. It makes me stronger than anything you can imagine. Her name is Margarita and she is Spicy.

12

(Greek Mai Tai)

Defending your Life

Fear is like a giant fog. It sits on your brain and blocks everything - real feelings, true happiness, real joy. They can't get through that fog. But if you have a Mastiha long drink with some ginger beer, I am sure that the fog will disappear.

(Boozy / Citrusy/ low ABV)

La Ardilla Roja

I love her from my very entrails. I need her the same as I need my liver, my brain, my eyes. Without her, my bones break, my lungs melt and I cannot breathe. I need my Fizzy Strawberry Cocktail with strawberry spirit and watermelon soda so that I can live.
