Marlen's old time Classics

Read me like a movie dialogue

Tyrtamus

In the lost introduction of the first book *Inquiry into Plants*, the king of herbs Tyrtamus has written his favourite cocktail recipe. Gin, cucumber, ginger and basil cream.

Saudade

What does the summer taste like? Peach, strawberry, rum, for sure rum and a touch of bitters. Because every summer leaves us with a bittersweet taste.

Not because we don't have fun, but because it ends.

12

Chunking Express

We're all unlucky in love sometimes. When I am, I go jogging. The body loses water when you jog, so you have none left for tears. When I am unlucky instead, I drink my favorite cocktail. Rum with Zakynthian rusk syrup and lemon. So, my tears are sweet n sour.

13

Punch, Drunk, Love

I have so much strength inside of me. You have no idea. I have a love in my life. It makes me stronger than anything you can imagine. Her name is Margarita and she is Spicy.

12

Defending your Life

Fear is like a giant fog. It sits on your brain and blocks everything - real feelings, true happiness, real joy. They can't get through that fog. But if you have a Mastiha long drink with some ginger beer, I am sure that the fog will disappear

12

The Birdcage

Yes, I wear foundation. Yes, I live with a man. Yes, I'm a middle-aged fag. But I know who I am, Val. It took me twenty years to get here, and I'm not gonna let some idiot senator destroy that. Bring me a Mandarin, Ginger and Gin drink please. I need something sour.

In July

My darling, I've traveled thousands of miles, I've crossed rivers and moved mountains. I've suffered and endured agonies. I've resisted temptation, and I've followed the sun, so that I could stand before you and tell you that I loved my Galaktompourekko Dessert cocktail.

Nah just joking, I love you.

MARLEN

TASTE OF CHERRY

(Seasonal Homemade Soda)

If you look at the four seasons, each season brings fruit. In summer, there's fruit, in autumn, too. Winter brings different fruit and spring, too. No mother can fill her fridge with such a variety of fruit for her children. No mother can do as much for her children as nature does for its creatures. You want to refuse all that? You want to give it all up? You

want to give up the taste of

Strawberries, Peach, Melon & Watermelon?

(Marlen's Spritz)

What is this sudden happiness that makes me tremble, giving me strength, life? Forgive me, sweet creatures. I hadn't understood, I didn't know. Everything seems so good, so meaningful. Everything is true. I wish I could explain. But I didn't know how to. I'm not afraid anymore of telling the truth, of the things I don't know, what I'm looking for and haven't found. This is the only way I can feel alive and I can look into your faithful eyes without shame. Life is a celebration. Let's live it together! Let's get drunk and have a Marlen's Spritz with Bergamot Liquor, Citrus Gin, Prosecco, Seasonal or Simple Soda.

13

HER

(Marlen's Spritz)

The heart is not like a box that gets filled up; it expands in size the more you love. Sometimes I think I have felt everything I'm ever gonna feel. And from here on out, I'm not gonna feel anything new. Just lesser versions of what I've already felt. Although I was always wrong. Because feeling something new doesn't take a lot. Sometimes all it takes is tasting the new Marlen's Spritz with Floral Herbal amaro, Strawberry, Prosecco and

Seasonal or Simple Soda.
